

DARK SHOT 604

Date of Birth: 10/16/2016
Registration 1: BI95488*
Breeder: Helm Cattle Company
Owner: Todd and Rozi Spaid

Dark Shot is a rare homozygous wild gene bull. Meaning anything he produces is going to be a variant of Brindle or Parker Brown. The guy is a straight up all around producer. Horn , Size , Color , and Disposition. His first daughters are calving and are raising some good looking babies.

Total Horn: 89.7500 on 07/11/2020
TTT: 68.0000 on 07/11/2020
