**Date of Birth:** 05/12/2018  
**Registration 1:** CI311901\*  
**Breeder:** Helm Cattle Company  
**Owner:** G&A Country Club Ranch

Beautiful low and lateral horned, red roan heifer with awesome conformation and she is out of our Herd Sire "Big League". "Big League" has a loaded twist pedigree like few bulls today and he is proving that he can lay horns down although not needed on this fine heifer because her Dam is also a low lateral horned "Top Caliber" Daughter. Twiggy's pedigree combines the strength of "Cowboy Tuff Chex (103" ttt +) the longest
